Advanced Cardiovascular Life Support (ACLS) Initial 2017

Course Description: The American Heart Association's ACLS Course builds on the foundation of lifesaving BLS for Healthcare Providers skills, emphasizing the importance of continuous, high-quality CPR. This advanced, instructor-led classroom course highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac-arrest care. The ACLS course also covers airway management and related pharmacology. In the ACLS Course, skills are taught in large, group sessions and small, group learning and testing stations where case-based scenarios are presented. Successful course completion includes demonstrating skills competency in all learning stations and passing the CPR and AED skills test, bag-mask ventilation skills test, a Mega code test and a written test. Upon successful completion, students receive an ACLS Provider card, valid for two years.

Who should attend? - ACLS is designed for healthcare professionals who either director participate in the management of cardiopulmonary arrest and other cardiovascular emergencies. This includes personnel in emergency response, emergency medicine, intensive care and critical care units.

Course Schedule: The program is offered on the following dates from 8:30am to 6:30pm
