

**Course Description:** California School of Health Sciences (CSHS) is proud to offer a Certificate of Completion in Adult Critical Care Nursing. The certificate shows that the student has undertaken a comprehensive range of classes related to care of the adult critical care patient. Graduates will develop the specialized skills and knowledge to become critical care nurses, and be prepared to recognize and support the unique characteristics of the critical care patient population. Requirements for the certificate of completion include nine classes in the adult critical care series listed in the course outline. Hemodynamic Hematology
