

# Nurse Refresher Course 2019

**Course Description:** The Nurse Refresher Course is designed to help nursing professionals absent from the inpatient hospital/acute care setting review and update nursing knowledge and skills, allowing them to return with confidence to the nursing field.

This course reviews issues such as: 2018 Patient Safety Goals, Rapid Response Team, SBAR, Patient Rights, Informed Consent, Advanced Directives, Organ Donation, Restraints, Charting Documentation, Handling Physician Orders, Dispensing Medications, and Using the Kardex. Critical thinking skills and the role of the registered nurse in the healthcare team will also be discussed. Additionally, Case Management, Nursing Care Plan, Patient Teaching, Spiritual Care, and Cultural Competency Issues are addressed. The trainee will be introduced to some regulatory issues, including Title 22, JCAHO, and OSHA.

In-depth review of the following topics will be included: Gas Exchange & Respiratory Function, Cardiovascular, Circulatory, Hematologic Function, Gastrointestinal, Metabolic, Endocrine Function, Renal, Urinary, Reproductive Function, Immunologic Function, Infection Control, Universal Precautions, Perioperative Concepts, Sensorineural, Integumentary Function, and Burn Issues. Musculoskeletal, and Neurologic Function. Pharmacology will be covered for each system.

**The last day of the course will include IV & Phlebotomy skills review.**
