

# TOEFL® Exam Preparation

**Course Description:** The TOEFL® Preparation course is designed to help students to develop the necessary skills required for the TOEFL® test: speaking, listening, writing, reading, and grammar. During this prep class, students will not only develop their language skills, but will also learn to acquire test taking strategies and the necessary critical thinking skills that should allow them pass the test successfully. Our TOEFL® iBT course is intended to prepare you for a high score on your TOEFL® exam by improving the academic English skills needed for exam success. Upon completion, students should generally be able to score 85 or higher on the TOEFL exam and continue their studies in a North American university. This class uses a curriculum based on the latest version of the TOEFL® test.
